

**REMARKS**

Receipt of the Office Action mailed April 1, 2010 is acknowledged. Claims 35-78 are pending. Claims 35-78 are rejected. Claims 35, 37, 39, 40, 49, 62, 66 and 70 have been amended. Support for the claim amendments can be found throughout the original disclosure, for example, the original claims. No new matter has been presented.

**Claims Objections**

Claim 71 stands objected to because of the following informalities: last line recites "...the a container..." . In response, claim 71 has been amended as shown above.

**Claim Rejections – 35 USC § 112**

Claims 35-78 stand rejected under 35 U.S.C. 112, second paragraph, as allegedly being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In response, the claims have been amended to address the issues raised by the Office Action. In addition, as requested by the Office Action, applicants have carefully reviewed the claims and made additional amendments to further bring the claims into compliance with Section 112, second paragraph. Accordingly, reconsideration and withdrawal of the rejection are respectfully requested.

Claims 49-78 stand rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential structural cooperative relationships of elements, such omission amounting to a gap between the necessary structural connections. See MPEP § 2172.01. The alleged omitted structural cooperative relationships are: between the spindle and the clutch. In response, claim 49 has been amended to recite the spindle rotates with the clutch as set forth on page 8, lines 13-22 of the specification, not that the spindle rotates the clutch as set forth in the Office Action. Accordingly, reconsideration and withdrawal of the rejection are

respectfully requested.

Based on the foregoing, applicant believes the application is now in condition for allowance. Favorable reconsideration and notice of allowance are solicited. If any questions arise which can be disposed through interview, the Examiner is encouraged to contact applicants' attorney at the telephone number listed below.

The Commissioner is hereby authorized to charge any additional fees, which may be required, or credit any overpayment to Account No. 10-0750/CDS5015/TJB.

Respectfully submitted,

/Todd J. Burns/
